

Safety Tips and Reminders for Ennis Bluebonnet Trails

1. If you see a beautiful field, please do not stop in the middle of the road. Pull safely over to the side and do not block traffic.
2. There are many families visiting with small children. So please drive slowly and watch out for kids.
3. Please respect private property. Please do not cross over any fences or open any gates.
4. Please pick up after yourself. Do not litter.
5. Watch where you sit, stand or step. It is the country and there may be critters, ants, snakes, etc.
6. Do not trample bluebonnets. Please leave the area as beautiful as you found it.
